Record of Driving Operating Excellence, Inspiring High Performing Teams and Delivering for Customers and Communities

- Oversaw development, execution of strategy and operational excellence model across U.S. utilities
- Implemented \$1.7B pipeline modernization investment aimed at safety, reliability, emissions reduction
- Launched Strategic Accelerated Facilities Enhancement (District SAFE), \$215M initiative to replace high-risk, leak-prone pipes
- Actioned low-carbon goals, advancing use of renewable natural gas, biogas, clean-certified gas, hydrogen
- Advocated for strong community engagement, with employees supporting 77 organizations with 2K+ volunteer hours, \$1.2M company donations and sponsorships
- Respected team builder in all roles, establishing programs to propel employees' success and advance trust

// SJI has a clear mission, a talented team and an enviable record as a trusted employer and energy provider to the customers and communities SJI serves. I am excited to build on this foundation and lead SJI's next chapter of growth and success as we work together with stakeholders to ensure we meet New Jersey's evolving energy needs, safely, reliably and affordably."

Blue Jenkins
